PSI at the 9th IAS Conference on HIV Science

PSI is honored and excited to join thousands of HIV experts, policymakers and donors from all over the world to participate at the 9th IAS Conference on HIV Science (IAS 2017) in Paris, France from 23-26 July 2017.

The event will discuss how to bring HIV services and products closer to the people who need them with the goal of achieving an AIDS-free generation.

Please view our conference schedule below, and join us for these event highlights if you’re attending the conference.
