

Dear SCTG Colleague,

Thank you for your interest in nominating or being nominated to serve on the SCTG Steering Committee. Some information about the role and the process for [submitting a nomination](#) is outlined below.

Timeline: Steering Committee nominations will be solicited through February 28, 2021. A Nominating Committee will select final Steering Committee members using a set of criteria outlined below, with initial members selected and onboarded by the end of March 2021. A transition from the old to the new Steering Committee will take place in April 2021.

Term: Steering Committee members will serve a term of 2 years, with the option to renew their role for a total of three terms. However, half of the initial members will first serve a one-year term, to ensure that all members do not rotate off at one time.

Criteria: By the end of 2021, the makeup of the Steering Committee will be:

- At least 50% of Steering Committee members reside in the Global South
- At least 30% represent target groups including the private sector, health care providers, feminist movements, youth, and/or different health interest groups
- There is relatively equal representation of self-care implementers and advocates
- At least two current Steering Committee members transition to the new Steering Committee to allow for continuity and historical perspectives
- Members will receive no direct financial benefit from or contribution to core funding of the SCTG to maximize impartiality

Notes: If the first round of Steering Committee members do not meet the minimum criteria, additional members will be added throughout the year to reach the goal by the end of 2021. If a member develops a direct financial relationship to the SCTG during their time on the Steering Committee, thus creating a conflict of interest, they will be asked to resign from the Committee.

Meetings: Steering Committee members will meet monthly initially, with the option to reduce meeting cadence as the new strategy is implemented.

Nomination information: Any SCTG member can nominate themselves or another member to be considered for Steering Committee membership. If a potential nominee is not a current member of the SCTG, they can apply to become a member by completing the form found [here](#). Nominees should complete [this form](#) by February 28, 2021.

Thank you for your interest in being considered for the SCTG Steering Committee! Please do not hesitate to contact the SCTG at secretariat@selfcaretrailblazers.org with any questions or clarifications.

Sincerely,
The SCTG Secretariat
